Dear Mr. Wessler:

This letter responds to your Freedom of Information Act (FOIA) request, 2015-005852, dated May 6.

You first sought flight plans and registration records for various aircraft. Aircraft registration records are maintained by the Federal Aviation Administration's (FAA) Aircraft Registry and they will respond to you under separate cover.

With respect to flight plans, the FAA does not have any responsive records. Flight plans are no longer filed with the FAA. Since 2005 pilots have filed flight plans with Lockheed Martin, a third party contracto
